

## **View Your Financial Aid Portfolio**

As a prospective Syracuse Law student, you now have access to the online communication tool that the Financial Aid Office uses, called the "Financial Aid Portfolio". The Portfolio is designed to inform you of tasks that you must complete to receive financial aid. It will keep you apprised of your financial aid status and can be used to determine if all of the required financial aid application materials have been received. You should periodically check your tasks on your Portfolio to view any new tasks that may be added throughout the application process that need your attention or action in order to receive your financial aid, including student loans.

To access the Financial Aid Portfolio, please complete the following steps:

### **STEP 1: Activate your SU NetID**

Applicants to Syracuse University may access their financial aid information via the Internet using MySlice, the University's online information center. To use MySlice, applicants must first activate their NetID and create a password. The NetID is a personal identifier that is used to access SU computing resources. The NetID typically consists of a combination of initials and last name, and may include a number.

You may activate your NetID and set up a password by going to the NetID web site at <http://netid.syr.edu>. Click on "Activate Your NetID" and follow the directions on the screen. You will need your SUID number to complete the process. The SU ID number is on the "Intent to Register" form that was sent with your notification of admission.

If you need help setting up your NetID, contact Syracuse University's department of Information Technology and Services (ITS) by calling (315) 443-2677, Monday through Friday from 8:30 a.m. to 5:00 p.m.

### **STEP 2: View the Financial Aid Portfolio**

To view the Portfolio, login to <http://MySlice.syr.edu> using your NetID and password created in Step 1 above. Under the "Finances" section of MySlice click on the link "Financial Aid Portfolio."

### **STEP 3: Set up Additional Access**

A parent or spouse may be granted access to the applicant's Financial Aid Portfolio. Login to <http://MySlice.syr.edu> and click on the link "Set Up Additional Access".
