An estimated fee for Health Insurance will be charged to all full-time students. This mandatory fee **may be waived** if a student has adequate private health insurance coverage. Learn more online at healthinsurance.syr.edu.

Cost of tuition is subject to change slightly from year to year. For students seeking to borrow U.S. government-funded financial aid, allowable types of budget adjustments may include the one-time cost of purchasing a computer or childcare expenses, and the cost to purchase health insurance. Additional expenses must be approved by the College of Law Financial Aid Office with the proper documentation.

Expenses NOT allowed in the educational budget include costs of moving, payment of consumer debt (such as credit card payments), the purchase or upkeep of an automobile, costs associated with finding employment (interview expenses, clothing), and expenses incurred during periods of non-enrollment (i.e. summer). Students bringing dependents should anticipate an additional cost of \$9,500 per semester for each dependent. If you have questions about calculating your budget, managing costs during enrollment at the College of Law, or other questions related to financial aid, please contact our office at financialaid@law.syr.edu or 315-443-1962.
