

Aug. 7, 2020

Dear Student,

Please allow me to take this opportunity to welcome you to the College of Law! We are happy that you're here, and we are looking forward to working with you over the next three years!

We made the Fall 2020 course schedules available in MySlice this afternoon for all students who do not have a hold on their student account. Please review the attached instructional document, which contains the following information:

1. How to view Holds in Myslice – please keep in mind that you will need to contact the office that set the hold in order to have it removed. The College of Law cannot remove holds set by other offices.
2. How to view your class schedule in MySlice:

IMPORTANT INFORMATION REGARDING YOUR CLASS SCHEDULE: during review of your schedule, please keep in mind that ALL COURSES at the College of Law will follow a hybrid modality. In other words, if your class is scheduled to meet in the building (these are listed with a classroom on your schedule), the class will also be live streamed via Zoom. All classes, regardless of modality, will be offered online via Zoom – if you indicated on your survey that you would be accessing your classes remotely and see room numbers on your schedule, please note that you will be able to participate fully online. Instructions on how to access your classes starting August 19th will be forthcoming.

If you have a hold on your student account, you will not be able to see your schedule in MySlice. The College of Law Registrar's Office is tracking the students on hold and will register you in your classes as quickly as possible after your hold is removed.

In order to provide adequate and timely service to all students, we ask that please don't email us after you have taken action to remove your hold—we will pick it up during our next review, and your schedule will be viewable as quickly as possible.

Thank you, and best wishes for a great first semester,

Sally M. Greene
Registrar
College of Law
