Dear Colleagues,

Good morning! As you may know, the NY State Bar exam is being administered online today and tomorrow, October 5 and 6.

To ensure they have a quiet location with a strong internet connection, we have allowed several of our Class of 2020 graduates to take the exam in Dineen Hall, in rooms 432, 434, 436, and 440. Please avoid that area from 11:30am – 3:30pm. If you must be near those rooms, please use caution and be as quiet as possible. We know you may desire to wish them well but doing so may inadvertently trigger artificial Intelligence mechanisms on their laptops that could signal potential cheating and thus compromise their success.

Sarah Collins will be at the Irving Ave entrance checking in bar exam takers, all of whom have provided evidence of a negative COVID-19 test. There will be several people assisting throughout the day on the first and fourth floors, including staff and student employees.

If you have any questions, please see Sarah Collins or Heidi Hart-Gorman.

Best regards,

Craig M. Boise
