Hello Everyone!

We hope this note finds all of you well and as strong as ever during these challenging times. Please remember that we are here to support you as you continue your efforts to explore short- and long- term job and career opportunities.

In consultation with employers, alumni and our peers in other law schools, we are closely monitoring the impact of COVID-19 on summer 2020 employment and post-graduate employment. Some employers are adjusting their recruitment programs, but the field awaits you; there are opportunities out there, and we want to connect you to them.

If you have learned, or learn, that your summer or post-graduation plans have changed due to COVID-19, please let us know. We want to help, and keeping track of changing plans is very useful.

We are not in Dineen Hall, but we are here for you, and **we want to hear from you**. Contact [our office](#), call us at 315-443-1941, email us, or make appointments through Symplicity. We look forward to hearing from you.
