

April 21, 2020

Dear Students,

With COVID-19 and social distancing measures continuing to impact all of us, on Friday, April 17, 2020, the College of Law faculty voted to extend the currently applicable, provisional grading and related academic policies through the summer semester.

[This memorandum](#) reflects the extension of the provisional changes and has been posted on our academics webpage alongside the handbook.

I wish you continued good health, strength and optimism, always.

Best regards,

Craig M. Boise
