Dear Students,

A major milestone lies ahead. This week and next, you'll complete your final exams and prepare for the next chapter in your journey to the legal profession. I look forward to a first celebration of your achievements, on May 7. **Please mark your calendars for next Thursday, May 7 at 7 pm and invite your friends and family to celebrate with us on Zoom.** We will announce this year's academic awards and other well-deserved recognitions, and we'll hear from our student leaders. A toast will be in order!

Zoom instructions will follow. Due to the size of the celebration—we expect a record crowd—we will use Zoom's webinar platform. The instructions will be included in a calendar invitation to all of you, faculty, and staff that will follow shortly. Accept the invitation, share it with your friends and family, and hop on Zoom at 7 p.m. on Thursday, May 7. I will be there along with your many other fans and supporters among staff and faculty.

I look forward to seeing and toasting you next week. In the meantime, again, best of luck on your exams. **You've got this!**

Best regards,

**Craig M. Boise**
