Dear Students,

We hope that you are staying safe and strong. Today, we write to share meaningful opportunities to continue your learning journey and gain practical experience during this challenging time through summer and beyond.

Please peruse [this list of pro bono opportunities](#). They vary widely in terms of sponsorship, target clientele, and responsibilities, but all of them would provide the space and time to build your legal skills and serve others during this crisis.

If you have any questions about any of the information in the attachment or other job-related questions or concerns, please don't hesitate to contact us.

Take care,

Stacey Wiley, Director of Career Services

Sam Kasmarek, Associate Director of Career Services

Kelly Capozzi, Assistant Director of Career Services
