Dear Students,

By now, you have received Vice Chancellor Haynie's urgent message below. Please read it in its entirety.

In short: effective immediately, until further notice:

- All in-person student activities, with the exception of classes and associated coursework, are paused;
- The provision of the Stay Safe Pledge that allows for social gatherings of 25 individuals or less (limited to 15 or less for COL students in Dineen) is amended such that, with the exception of classroom activity, social gatherings on- and off-campus may not exceed five individuals who do not live together.

Please stay safe and continue to abide by the public health guidance presently in effect. Thanks to your efforts, we will continue to optimize our fall academic experience while at the same time protecting the health and well-being of all our students, staff and faculty.

Thank you for your continued patience and cooperation and please feel free to reach out to me with any questions or concerns.

Sarah D. Collins, J.D.
