

Dear Students,

By now, you have received Vice Chancellor Haynie's [message on March 24](#).

We call your attention to the University's decision to continue all Summer Sessions online through June 26, subject to extension.

Pursuant to that decision, the College of Law's Summer Session (May 26-July 15) courses will be offered online.

Registration for the COL summer semester will begin the week of April 13.

Sincerely,

Sally M. Greene
Registrar, College of Law
