Dear Students,

You are receiving this message because you intend to be in Dineen Hall next week and yet, as of today, we have not received your negative COVID test results. As a reminder, you will not have swipe card access to Dineen Hall until we receive confirmation of a negative test.

If you have any questions regarding [COVID test submission](#), please email [health@syr.edu](mailto:health@syr.edu). Please include your SU ID number and date of birth in your message to accelerate a response. If you have questions regarding the [University-sponsored COVID tests](#) or [how to take the test](#), please email [sucovid@syr.edu](mailto:sucovid@syr.edu). Again, be sure to provide your SU ID Number and date of birth to accelerate a response.

Moreover, if you are coming from a ["hot spot" state](#) or from outside the country, you must have [self quarantined for 14 days](#). Please affirm your compliance with the quarantine requirement by submitting this [self-affirmation of quarantine form](#).

***Our ability to host Orientation of the 1L class on Monday in Dineen Hall and to begin classes in person in Dineen Hall on Wednesday hinges on compliance with the requirements set forth above. Everyone needs to comply.***

Be sure to visit [your Fall 2020 Checklist](#) and visit our [Law Preparedness](#) page often. We update it daily, and you'll find lots of information along with Frequently Asked Questions that may be of interest to you.

We hope to hear from you soon.
