

Nov. 11, 2020

Dear Students:

Many thanks to our JD residential students who attended today's training session on the fall 2020 exam protocols and platforms. We will send you the recording of the session, and all of the materials we shared during the meeting, very shortly.

As many of you noticed, our Proctortrack representative was not able to attend today's session. **I have now confirmed that the CEO of Verificent, along with his team, will join us tomorrow evening from 5:30 to 6:30 p.m. EST for a discussion of the Proctortrack software. By copy of this message, I am inviting all of our faculty members to attend the session, as well.**

In order to accommodate this special meeting with the Verificent team, **we will reschedule the *JDi Fall 2020 Exams* training session, which had been scheduled for the same time.** Our JDi students will receive a new invitation to their *JDi Fall 2020 Exams* training session very soon.

I hope that you will join me for tomorrow's meeting with the Verificent senior leadership team. I have met with our SBA leadership on this topic, and I know that many of you have asked other questions concerning online proctoring and specifically, Proctortrack. Tomorrow's forum will be a productive opportunity for all of you to hear the answers to your questions, first-hand. The session will be live, and you will have a chance to ask questions of the Verificent team through the Q&A pod, which will be activated for the entire session.

Join me, at 5:30 pm EST tomorrow, via [this zoom link](#). Joel Whitney will moderate the discussion.

Best regards,

Craig M. Boise
