## Cost of Attendance Adjustment Request for Student Health Insurance

Syracuse University requires all full-time students in the 2016-2017 academic year to carry some form of ACA-compliant health insurance. Those students with health insurance will be instructed to provide proof of ACA-compliance insurance coverage by completing an online waiver before the university's deadline.

If you don't complete the online waiver process to provide proof of coverage, or if you don't have health insurance coverage, you will be enrolled in and billed for the university-sponsored student health insurance plan. The cost for the university-sponsored student health insurance plan in the 2016-2017 academic year will be \$2,230 for students at Syracuse University.

If you purchase health insurance (either through the university-sponsored plan or on your own), the cost of the individual student policy may be included in your 2016-2017 academic year cost of attendance (*the cost to purchase insurance for a spouse or dependents cannot be included*). The adjustment to your cost of attendance will allow you to request additional student loans to cover the cost of your health insurance plan for the 9-month period in the 2016-2017 academic year.

**Please check the appropriate box below to request an adjustment to the standard cost of attendance.**
