What do you hope to gain from the Barclay Damon Diversity Student Mentor Program?

I agree to keep in contact with my assigned mentor during the academic year and follow the requirements, as stated below:

- Be an active participant in the mentor program for the full academic year.
- Take advantage of networking opportunities presented by my assigned attorney mentor.
- Commit to attend related events and receptions.
- Complete an end of term evaluation form of the mentor program. Feedback is critical in improving the program.

This is ONLY a mentorship program. Please know that this is NOT an internship or an invitation for future employment. It is an opportunity for you to gain access to an attorney in a practice area of law about which you are curious.

NOTE: Barclay Damon LLP actively participates in our annual on-campus Interview Program for those wishing to explore employment opportunities.
