 - ALL applicants must complete the Student portion of the *Internal Admissions Application* (law.syr.edu→Student Affairs→Forms→Internal Admissions Application) and bring to Suite 220 for the Registrar to complete.
 - If you need materials from your student file in order to complete your application, complete the *Joint Degree Information Request Form* (law.syr.edu→Student Affairs→Forms→Joint Degree Application) and bring to Suite 220.
 - You will be contacted when the above materials are ready for you to pick up in Suite 220; allow at least 2-3 business days.

- All joint degrees must be approved by the College of Law prior to matriculating into the program. Approvals will take place after Spring grades have been turned in and cumulative GPAs have been calculated.
- Once you have been approved to start the joint degree program, contact the graduate school to begin the process of enrolling in classes outside the law school.
