*Please note - turn off your pop-up blocker to prompt the payment screen. You will be prompted to pay \$500. You may disregard this and submit the payment of \$250.
- NelNet Business Solutions, an independent third party contractor, accepts payments to the Bursar account and charges a non-refundable convenience fee based on the amount charged. The convenience fee is 2.7% of the amount charged. This fee is established and charged solely by NelNet Business Solutions and not by the University. The convenience fee is paid in full to and retained by NelNet Business Solutions; the University does not receive any of this fee. The charge for the convenience fee will appear separately from the payment on your credit card statement.

- **Wire Transfer**

Syracuse University has partnered with two companies that provide a streamlined way to make international payments. Using [Flywire](#) or [Western Union Business Solutions](#) offer some advantages over a traditional wire transfer such as:

- There are no hidden bank fees
- Typically, you save on exchange rates
- There are multiple payment options and currencies to choose from
- 24x7 multilingual customer support by chat, Skype, email, and telephone
- It is faster than traditional wire transfers (2-3 business days)
- You can track the status of your payment online

Your seat deposit payment will be applied toward your tuition and fees and is non-refundable in the event you do not matriculate. If we have not received your seat deposit payment confirming your acceptance by the deposit deadline date, the place now being reserved for you in the entering class will be reassigned to another applicant. If you have any questions, please feel free to contact us at 315-443-1962 or admissions@law.syr.edu.
